The Client

An African Buyer

The Challenge

Our client was looking to buy a “lock up and leave” secure flat for her and her children to spend time in when visiting London. They needed 3 bedrooms, but did not want to spend more than £1 million.

The Perfect Conclusion

We identified Imperial Wharf as the ideal development for our client, and found a flat which met with all of our clients requirements. We also negotiated very strongly and managed to save our client £125,000 from the asking price, representing an 11.4% saving.
