

Buckingham Street, Covent Garden, WC2N

Price: £2.1 million **Date purchased:** May 2015

The Client

A British buyer.

The Challenge

Our British clients lived an hour from the capital and wanted a pied a terre in Central London, preferably walking distance from the shops, restaurants and theatres of the West End. They wanted a modern flat in very good condition.

The Perfect Conclusion

Through our comprehensive network of the best developers in Central London we identified a boutique scheme of only 7 apartments located just off The Strand, with walking distance to Covent Garden and therefore in the heart of the West End.

We were able to secure our clients a £100,000 discount as a result of our negotiations.

We're ready when you are.

We would be delighted to hear from you to discuss your own property requirements and how we may be able to assist you. Should you wish to arrange for a non obligatory consultation, please contact us:
