The Client

An English family.

The Challenge

Our clients were looking for a four bedroom home in West Hampstead. This size property in the area were selling very quickly, often with multiple bids and for over our clients budget.

The Perfect Conclusion

We were able to identify a two bedroom house in need of work but with potential to extend to the perfect size. The vendor had found a flat that she wanted to move to and was looking to sell quickly in order not to lose it. Our clients are going to spend £250,000 on the work. Houses on the open market of the style, size and finish that our clients will create are selling at over £1.5m.
