Case Study

Childs Street, Earls Court, SW5

Price: £1.485 Million **Date purchased:** August 2015

The Client

A British buyer.

The Challenge

Our English client was a first time buyer in London. She wanted a property with period charm, outside space and within commutable distance to St James'.

The Perfect Conclusion

We successfully sourced this charming freehold cottage townhouse with a private garden in Earls Court. We beat off stiff competition from two other buyers, and successfully re-negotiated the price down by £10,000 during the conveyancing period.
