The Challenge

Our clients were first time investors into the London property market. Based in India, they wanted to be completely led and guided by us, and also would not be able to visit London, so we had to make sure they had all the facts in order to make a decision.

The Perfect Conclusion

Our clients were first time investors into the London property market, and wanted to be led and guided by us. We identified a good value 2 bedroom property in Maida Vale, close to the tube and shops, knowing it would rent easily and be a good long term investment. We also saved our clients £20,000 from the asking price, a 4% saving.

We're ready when you are.

We would be delighted to hear from you to discuss your own property requirements and how we may be able to assist you. Should you wish to arrange for a non obligatory consultation, please contact us:
