Finding perfect properties

Case Study

Culford Gardens, Chelsea, SW3

Price: £3.2 Million **Date purchased:** June 2015

The Client

A British buyer.

The Challenge

Our British ex pat clients were moving back to London and wanted a three bedroom apartment, close to the shops, cafes and restaurants of the Kings Road in Chelsea. The property had to have lots of natural light and the building had to be dog friendly.

The Perfect Conclusion

Through our network we identified a South facing top floor flat in a quiet street walking distance from Sloane Square and The Kings Road. The building allowed dogs and so was the perfect option for our clients. We were able to secure the apartment on an exclusive basis and contracts were exchanged within 2 weeks
