The Client

A South African Investor

The Challenge

A repeat client, who had already sourced two previous investment properties through us, we were tasked to find a third investment property, which would compliment our clients existing rental portfolio.

The Perfect Conclusion

We identified a 1 bedroom flat in one of the best addresses in South Kensington. The flat was being sold by a Hong Kong based investor and was already tenanted, giving our client the benefit of taking over the tenancy and having rental income from day one with no void period.

We're ready when you are.

We would be delighted to hear from you to discuss your own property requirements and how we may be able to assist you. Should you wish to arrange for a non obligatory consultation, please contact us:
