Finding perfect properties

Case Study

Hamilton House, Hall Road, St Johns Wood NW8

Price: £3.1 million **Date sourced :** January 2008

The Client

A British buyer

The Challenge

Our clients were in the process of selling a large home in North London and wanted to downsize. Before accepting a sales offer on their home they wanted the security of knowing they had somewhere suitable to move to. Their estate agent recommended Black Brick, and with a short space of time, we identified the perfect flat in St Johns Wood, enabling our clients to successfully sell and downsize.

The Perfect Conclusion

Due to a severe lack of supply on the open market, we used our local contacts to source this highly desirable off market penthouse flat, benefiting from a lift, porter and off street parking.

We're ready when you are.
