

Black Brick
Finding perfect properties

Case Study

Lansdowne Road, Notting Hill W11

Price: £5,000,001 **Date sourced:** March 2012

The Client

A Russian Buyer

The Challenge

Our clients were looking for a London home for themselves and their children.

The Perfect Conclusion

We sourced a highly desirable, recently refurbished Victorian house on a prime residential street in Notting Hill which benefitted from direct access onto beautiful communal gardens.

The property had several other buyers trying to secure the property, which went to best bids. We carefully advised our clients on pricing and won the bid, without overpaying.

We're ready when you are.

We would be delighted to hear from you to discuss your own property requirements and how we may be able to assist you. Should you wish to arrange for a non obligatory consultation, please contact us:
