

Maddox Street, Mayfair, W1

Price: £1.925 million **Date purchased:** March 2015

The Client

A Brazilian buyer.

The Challenge

Our clients wanted to purchase an apartment in London which would serve as both a holiday home as well as a long term investment. They wanted the property to be centrally located with easy access to the shopping, theatres and restaurants in Mayfair and the West End.

The Perfect Conclusion

Through our expertise in the new build market we identified a boutique apartment block located on the eastern side of Mayfair walking distance from Regent Street, Oxford Street and Covent Garden. The block consisted of just 5 units and demand for the two bedroom unit was very high. We were able to successfully secure the apartment for our client against fierce competition as a result of our reputation for representing the very best buyers in the market.
