Price: £3.85 Million **Date purchased:** March 2015

The Client

A Middle Eastern buyer

The Challenge

Our client was looking for a 3 bedroom family apartment to use when visiting London. The property had to be in immaculate condition and ideally located in Mayfair or Knightsbridge with views of Hyde Park. The budget for this purchase was £4 million. Properties which benefit views of Hyde Park often come with a significant price tag. .

The Perfect Conclusion

We successfully sourced a 6th floor apartment in South Kensington with views of Hyde Park from the reception room and views over Princes Gardens from the bedrooms. We secured the property for less than the asking price and less than the client's budget.
