

Black Brick
Finding perfect properties

Case Study

Queens Gate Gardens, South Kensington, SW7

Price: £1.725 million **Date purchased:** May 2015

The Client

A Chinese buyer.

The Challenge

Our clients were looking to purchase a property in South Kensington to be used by their son who was studying at University in the area. They had already been looking on their own but were frustrated by the lack of opportunities and the fact that good options seemed to be selling before they were able to view them.

The Perfect Conclusion

Through our unrivalled network we were able to identify a fantastic two bedroom apartment located on one of the best garden squares in the area. We were able to use our reputation to secure the property before it came onto the open market and agreed a period of exclusivity allowing us to exchange contracts within 3 weeks.

We're ready when you are.

We would be delighted to hear from you to discuss your own property requirements and how we may be able to assist you. Should you wish to arrange for a non obligatory consultation, please contact us:
