Case Study

Stafford Terrace, Kensington W8

Price: £2.7million **Date sold:** May 2013

The Client

An African Seller

The Challenge

We first acquired this property for our client back in 2009 for £1.8 million. In 2013, our clients circumstances changed and he instructed us to oversee and manage the sale for him.

The Perfect Conclusion

We got several estate agents into the property to give their valuations. We ended up instructing the agent who we knew had a solid track record of success on the street. The property went to a sealed bid within less than a week of being marketed. We sold it for £2.7 million to a Russian cash buyer and our client was delighted.

We're ready when you are.
