The Challenge

Our Middle Eastern client was looking to for a long term rental investment opportunity with capital growth potential in Central London.

The Perfect Conclusion

We successfully agreed the purchase of this two bedroom 900 sq. foot off-plan apartment with a terrace overlooking the park. The unit is located within the best position within the development, high up on the fourth floor and due to our contacts, we managed to reserve the unit weeks before the official launch date. We also negotiated underground parking and a storage unit (of which there are a very limited number) included in the sale. The scheme is 70% sold.

We're ready when you are.

We would be delighted to hear from you to discuss your own property requirements and how we may be able to assist you. Should you wish to arrange for a non obligatory consultation, please contact us:
